The Lakeland Community Based Outpatient Clinic (CBOC) opened in the Bartow area in 1998, moved to Lakeland in September 2000 and relocated in Lakeland November 2008. This CBOC was established to provide comprehensive primary care services to veterans who reside in Polk and surrounding counties. It now occupies 20,000 net square feet of leased space, which addressed space issues and projected workloads within Lakeland.

PRIMARY CARE SERVICES

The purpose and objectives of our Primary Care Teams is the coordinated interdisciplinary provision of health care with the overall goal and objective to provide continuous quality healthcare, access to outpatient services, and referral to other levels of care in an efficient, high-quality and cost-effective manner. Veterans are followed by a designated Primary Care team for the general care of that patient. Teams are comprised of physicians, nurses, a dietician, a social worker, a pharmacist, and administrative support personnel.
