Dear Incoming Resident/Fellow:

ATTENTION PGY 1s:

All new residents are required to attend one of the assigned computer classes, which will be held in the JAHVH Building 42 Computer Training Room, located off of Bruce B. Downs and 131st Street. The classes are scheduled for **Wednesday, June 26, 2013 from 12:00pm – 4:00pm, and Thursday, June 27, 2013 from 12:00pm – 4:00pm.** All new subspecialty residents (Psychiatry, Radiology, and Physical Medicine and Rehabilitation) who will be starting an Internal Medicine ward rotation at the JAHVH will also need to attend a Computerized Patient Record System (CPRS) computer training class on either of the dates listed above. If you are not scheduled to rotate at the JAHVH for the first three rotations, you will not need to attend any of these classes as codes are deleted every three months if not used.

ATTENTION PGY 2s and above:

Other incoming residents/fellows will need to attend computer training, unless you have used the Computerized Patient Record System (CPRS) before, on **Monday, July 1, 2013 at 8:00am.** This training will also be held in the JAHVH Building 42 Computer Training Room.

It is imperative for you to complete this training, as you will not be able to access patient information or submit orders/scripts for your patients. Should you have any questions, please contact your house staff coordinator, which is listed below.
