# Gale App Download Info

App Directions - Gale Resources now available through AML (Access My Library) App.

- Download the **AML (Access My Library) App** from the ITunes or Android store.

- After downloading AML app, select **Special Libraries**; select **Federal Libraries**; select

  James A Haley Library.

- Then enter password -*Haley15 (case sensitive).*

- The app defaults to the "Home" screen & the navigation options are available at the bottom to get to the archival databases.

- Select Databases to access: Career Transitions; Diversity Studies Collection; Gardening, Landscape and Horticulture Collection; Health and Wellness Resource Center; Home Improvement Collection, Computer Database, InfoTrac Culinary Arts Collection, InfoTrac Physical Therapy & Sports Medicine Collection, & Military And Intelligence Databases.
