Welcome Statement

This booklet was created by members of the EEO Lesbian, Gay, Bisexual, Transgender, Questioning and Straight Allies (LGBTQSA) Special Emphasis Program (SEP) for James A. Haley Veterans' Hospital Veterans, staff, and visitors.

The LGBTQSA SEP members worked with numerous internal and external organizations throughout Central Florida to bring this important information and list of resources to you. It is a fact, that while LGBT health care rights have greatly expanded over the past few years, public knowledge and understanding of these rights are limited. We hope that you will find this information helpful. We would also like to thank the James A. Haley Veterans' Hospital & Clinics (JAHVH) Director for supporting this very relevant resource.

Sincerely,
The JAHVH LGBTQSA SEP Manager
(813) 972-2000, ext. 7529

The information in this guide is valid as of June 2016. These resources were collected from numerous local and national sources. The contact information may change and require update over time; additionally, this booklet does not include all available sources. James A. Haley Veterans' Hospital does not endorse these resources but has provided them as an example of services that may be useful to our LGBT community.
